

DID YOU KNOW?

THAT evolution has never been proven but remains a theory.

THAT many evolutionists have renounced the theory because it is illogical and unscientific.

THAT many people cling to the theory because there are no alternative ideas except for God whom they refuse to believe exists.

THAT the Bible is the oldest and yet most accurately preserved book in human history.

THAT the Bible is the most persecuted book ever written.

THAT the Bible is also the most read, and the top "best seller" in the history of the human race.

THAT the Bible declares that there is ONE God and not many different gods in various cultures throughout the world.

THAT the Bible says that mankind has failed to honor this one God and now finds itself under judgment awaiting punishment.

THAT the Bible declares that the goodness of man is a myth because people are flawed with the sin of selfishness and ultimately we will destroy ourselves and have to face eternal damnation.

THAT God loves us and is not willing to let this happen to us without giving us an opportunity to escape.

THAT Jesus was born into the human race so that He could suffer and die for us, thus taking upon Himself our punishment.

THAT the Bible promises us that future judgment and punishment for our sins can be avoided and eternal reward can be gained by accepting Jesus as our Savior.

THAT no behavioral change on my part will rescue me from God's judgment but trusting in what Jesus did for me on the Cross is the only option given to mankind.

THAT every aspect of salvation is totally based upon faith in Jesus and never upon our own "good works."

THAT you can know today that you have escaped judgment and gained heaven by trusting Jesus Christ as your Savior and becoming a recipient of what He has accomplished for you.

***Simply Believe and Pray:** Dear Father, I know that I am a sinner and I cannot save myself. I now accept Jesus Christ as my personal Savior. I believe that He died to save me from an eternity in Hell and has secured for me a heavenly home. I want Him to come into my life and change me according to His precious Grace. Amen*
